

Enhanced File Transfer Server Version 6  
License and Support Agreement

BY INSTALLING OR USING THE ENCLOSED SOFTWARE OR REGISTRATION NUMBER, YOU AGREE AND ARE SUBJECT TO THE SOFTWARE LICENSE TERMS SET FORTH BELOW. If you do not agree to the terms of this agreement, do not install the Software or use any registration number that was provided with the Software. You may return the Software to the place of purchase for a refund if you have not used the registration serial number.

This Software is licensed by GlobalSCAPE, Inc. ("GlobalSCAPE"), not sold. You may use this Software only as described in this agreement.

1. SOFTWARE. The capitalized term "Software" refers to the object code for the computer program known as Enhanced File Transfer Server Version 6, including the Server Program and the Administrator Interface and all Optional Add-On Modules, which may include without limitation the AWE Module (as defined in Section 2 below) you purchase and any updates, supplemental code or programs provided to you by GlobalSCAPE with or in connection with Enhanced File Transfer Server Version 6, such as the user's manual and Help file, any components, any related media and printed materials, and any related "online" or electronic documentation.

2. GRANT OF LICENSE.

A. EVALUATION LICENSE. If you acquired the license for any component of the Software on an evaluation or trial basis, you may use the Software without charge for the evaluation period. Your evaluation period begins on the day the evaluation serial number is issued by GlobalSCAPE. You must pay the license fee and activate your copy in the manner required below to continue to use the Software after the evaluation period. An evaluation license for the Software may not be transferred to any other person.

B. STANDARD LICENSE.

(i) SERVER PROGRAM. You may install and use one copy of the Server Program on that number of server computers for which you have purchased a separate license as indicated on your invoice or sales receipt.

(ii) ADMINISTRATOR INTERFACE. For so long as you have an active license to use the Server Program, you may copy, install and use the Administrator Interface on as many personal desktop computers as you wish.

(iii) OPTIONAL ADD-ON MODULES.

(a) WEB TRANSFER CLIENT. You may concurrently use that number of Web Transfer Clients for which you have paid a separate license fee as indicated on your invoice or sales receipt. If you wish to increase the number of concurrent users after your initial license purchase, upon payment of the additional license fee you will be issued a new registration serial number which will be utilized to activate the additional Web Transfer Client licenses purchased and to re-activate the Web Transfer Client licenses previously purchased.

(b) SECURE AD HOC TRANSFER MODULE. If you have purchased a separate license for the Secure Ad Hoc Transfer module (hereafter referred to as "SAT Module"), you may install and use one copy of the SAT Module on that number of server computers for which you have purchased a license as indicated on your invoice or sales receipt. The SAT Module shall be installed solely on the same server(s) as the Server Program. It is your duty, at your cost, to install and maintain the SAT Module and to acquire, install and maintain Microsoft IIS and all necessary equipment and connectivity required to use the SAT Module. Notwithstanding the restrictions in Section 7 but subject at all times to GlobalSCAPE's rights set forth in Section 13, you may modify the SAT Module solely to customize the web interface to the Software created through the SAT Module. Upon modification, however, GlobalSCAPE shall have no further obligations under Section 8 or any related M & S Plan in relation to the Secure SAT module. If you purchase additional copies of the SAT Module for back-up or archival purposes, you will need to make all applicable modifications to the newly licensed copies.

(c) ADVANCED WORKFLOW ENGINE. If you have purchased a separate license for the Advanced Workflow Engine module ("AWE Module"), you may install and use one copy of the AWE Module on that number of computers for which you have purchased a license as indicated on your invoice or sales receipt. You may not separate the AWE Module for use on more than one computer. Certain consents required to be obtained from GlobalSCAPE pursuant to this agreement may also require the consent of Network Automation, Inc. ("NAI"). You acknowledge that you have only the limited, non-exclusive right to use and copy the AWE Module as expressly stated in this agreement and that GlobalSCAPE and/or NAI, as the case may be, retains title to the Software and all other rights not expressly granted herein.

C. STANDBY OR DEVELOPMENT LICENSE. If you have purchased a license to use the Server Program and/or the Add-On on a non-production basis, then you may use the Server Program and/or Add-On so licensed only as follows:

(i) STANDBY LICENSE: One (1) copy on a standby computer that is not processing traffic or doing work of any kind except in the event that, and only for so long as, the primary production server upon which the Server Program license is associated is offline.

(ii) DEVELOPMENT LICENSE: One (1) copy on a server (and associated desktop personal computers) used solely for testing, evaluation, or API development, so long as such server does not process actual traffic in a production environment.

D. ACTIVATION. You must activate the evaluation or standard license for the Software by entering the evaluation or registration serial number as prompted by the Software and as otherwise instructed by GlobalSCAPE. Your failure to follow the activation procedures correctly is a material breach of this agreement.

E. TERM. The term of the license for any component of the Software is as indicated on your invoice or sales receipt or, if not otherwise specified, perpetual.

3. RIGHT TO COPY OR BACKUP. You may make one copy of the Software or the installation media for the Software solely for back-up or archival purposes at no additional charge.

4. UPGRADES. To use Software identified as an upgrade, or new version, you must first be licensed for the Software identified by GlobalSCAPE as eligible for the upgrade and pay any licensing or support fees that may be applicable. After upgrading, you may no longer use the Software that formed the basis for your upgrade eligibility and the license for that Software shall be deemed immediately terminated upon your installation of the upgrade.

5. TRANSFER. You may use the Software solely for your internal business process as contemplated by this Agreement and shall not license, sub-license, sell, re-sell, rent, lease, lend, transfer, assign, distribute, time share or otherwise commercially exploit or make the Software available to any third party, other than as contemplated by this Agreement, without the prior written consent of GlobalSCAPE. You shall not sell, sell access to, or sell use of the Software or utilize the Software as the basis for any software as a service or application service provider solution that You offer for sale or license to third parties. You shall not use the Software in connection with the provision of a service to any third party that includes file transfer or any other service that is a substitute for some or all the Software's functions without the prior written consent of GlobalSCAPE. If modifications are made to a SAT Module as permitted herein, such modification may only be used for your internal business purposes and may not be licensed or sublicensed or otherwise provided to any third party. You may, however, make a one-time permanent transfer of all of your license rights to the Software to another party, provided that: (a) the transfer must include all of the Software, including all component parts, programs, media, printed materials, all registration serial numbers, all modules you purchase in conjunction with the Software, and this license in connection with the sale of all or substantially all of the assets for that line of business; (b) you do not retain any copies of the Software, full or partial, including copies stored on a computer or other storage device; (c) the person to whom you transfer the Software agrees to be bound by the terms of this license; and (d) you provide notice to GlobalSCAPE at least 10 days prior to such transfer of the identity and contact information for the transferee and such transferee is not a competitor of GlobalSCAPE as determined by GlobalSCAPE in its sole discretion. If you purchased the license for the Software on a multi-computer basis-that is, one registration serial number valid for the number of computers indicated on your invoice, you may permanently assign your rights under this license to only a single person or entity. Notwithstanding anything else in this agreement to the contrary, a license for the Software provided on a free, promotional, or "not-for-resale" (NFR) basis may be used only for testing, demonstration or evaluation and may not be sold or transferred to another person in any manner. Transfer in violation of this agreement, in whole or in part, will be void ab initio.

6. INFORMATION COLLECTION AND PRIVACY. The Software includes a feature that assigns a unique identifier to your computer based on system information. The Software reports this identifier to GlobalSCAPE either when you install the Software, enter your evaluation serial number, or enter your registration serial number, or upon the occurrence of each of these. During the evaluation period, the Software will contact our registration and activation servers periodically to verify that the Software is still eligible for use on an evaluation basis. The Software may also identify and report to us your Windows language identifier setting, IP address, and the date and time of installation and/or activation. GlobalSCAPE uses this information to count installations, detect piracy of the Software, and develop rough statistical data regarding the geographic location of the Software users. GlobalSCAPE may tie this information to personally identifiable information it has about you. GlobalSCAPE may use any non-proprietary information you provide as part of obtaining support services for GlobalSCAPE's business purposes, including product support and development. GlobalSCAPE's policies related to this information are as is further provided in the Privacy Policy available at [www.globalscape.com](http://www.globalscape.com).

7. RESTRICTIONS. You may not reduce the Software to human readable (or source code) form, reverse engineer, de-compile, disassemble, merge, adapt, or modify the Software, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation. You may not use the Software to perform any unauthorized transfer of information, such as copying or transferring a file in violation of a copyright, in violation of any laws related to the transfer of encrypted data or for any illegal purpose.

8. MAINTENANCE AND TECHNICAL SUPPORT SERVICES. If you purchased a maintenance and support plan ("M & S Plan"), GlobalSCAPE shall provide the support services at the level agreed by you and GlobalSCAPE and as defined in the GlobalSCAPE Maintenance and Support Guide accessible from [http://www.globalscape.com/support/priority\\_support.aspx](http://www.globalscape.com/support/priority_support.aspx) for the Software (the "Guide") as of the date of your acceptance of this Agreement and as set forth in your invoice or sales receipt. The term of the M & S Plan may vary and is specified on your invoice or sales receipt. Please contact GlobalSCAPE if you would like to extend the term of your M & S Plan. To be eligible for maintenance and support services, the Server Program and the Administrator Interface as well as all associated Add-On Modules must be covered by an active M & S Plan.

9. PAYMENT TERMS. If GlobalSCAPE has agreed to invoice you for license fees or fees applicable to your M & S Plan, invoices shall be transmitted on the date of issuance via electronic or postal mail to the primary or billing contact listed on your account. Unless otherwise agreed to in writing, full payment is due within thirty (30) days from invoice date. Amounts not paid when due shall bear interest at 1.5% per month, or the highest non-usurious rate permitted under applicable law, whichever is less. If GlobalSCAPE is required to take legal action to collect any overdue amount, you shall also pay GlobalSCAPE's reasonable costs of collection, including reasonable attorney fees.

10. SECURITY. The Software creates a means for others to gain access to your computer. Although we have taken commercially reasonable measures to prevent unauthorized persons from gaining access to your computer via the Software, we cannot foresee or control the actions of third parties. Therefore, use of the Software will make you vulnerable to security breaches that you might not otherwise face and could result in the loss of your privacy or property. You agree that GlobalSCAPE is not liable to you for security breaches resulting from your use of the Software or otherwise. Use of secure passwords and keeping passwords confidential are not the responsibility of GlobalSCAPE or the Software.

11. AUDIT. You agree that on GlobalSCAPE's request you will certify in writing your compliance with the terms of this agreement, including your use of the Software only on or in connection with the number of computers and users licensed. You further agree that GlobalSCAPE may during normal business hours and with reasonable prior notice, request and gain access to your premises for the limited purpose of conducting an inspection to determine and verify your compliance with this Agreement. The inspection will be conducted no more than once per year and in a manner not intended to disrupt your business and will be restricted in scope and duration to that reasonably necessary to achieve its purpose.

12. TERMINATION. This agreement terminates if you fail to comply with its terms and conditions. If your agreement terminates, you must destroy all copies of the Software. The termination of this agreement does not limit GlobalSCAPE's other rights it may have by law. The provisions in Sections 7, 9, 13, 16, and 18 shall survive the termination of this agreement.

13. INTELLECTUAL PROPERTY; CONFIDENTIALITY. You acknowledge that you have only the limited, non-exclusive right to use and copy the Software as expressly stated in this agreement and that GlobalSCAPE retains title to the Software and all other rights not expressly granted. You agree not to remove or modify any copyright, trademark, patent, or other proprietary notices that appear, on, in or with the Software. The Software and all derivatives thereof, including any modifications made to the SAT Module are protected by United States copyright, patent and trademark law and rights granted by international treaties related to intellectual property rights. The Software is copyright (c) 2004-2010 GlobalSCAPE, Inc. All rights reserved.

You will keep confidential and refrain from disclosing any and all technical information, know-how, and inventions disclosed by GlobalSCAPE in relation to this agreement and the license granted hereunder, except when, after, and to the extent that the information, know-how, and inventions are generally known to the public.

14. EXPORT RESTRICTIONS. THE SOFTWARE CONTAINS ENCRYPTION TECHNOLOGY THAT IS CONTROLLED FOR EXPORT BY THE U.S. GOVERNMENT. You agree to comply fully with all relevant export laws and regulations of the United States ("Export Laws") to assure that (i) the Software is not exported, directly or indirectly (including as a result of providing access to the Software to a national or resident of and embargoed or restricted country), in violation of Export Laws, or the applicable laws of any other jurisdiction or (ii) or provided to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Commerce Department's Table of Denial Orders or Entity List. Embargoed and restricted countries currently include but are not limited to Cuba, Iran, Libya, North Korea, Syria and Sudan. In addition to other restrictions described in this section, you may not use the Software, or export the Software to any destination where you know or have reason to know that the Software may be used, in connection with the proliferation of nuclear, chemical or biological weapons or missiles. You shall indemnify and hold GlobalSCAPE harmless in connection with any breach of this Section.

SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU. UNLESS APPLICABLE LAW PROVIDES OTHERWISE, THE LIABILITY OF GLOBALSCAPE AND ITS THIRD PARTY LICENSORS (INCLUDING WITHOUT LIMITATION NAI) FOR ANY CLAIM RELATED TO YOUR PURCHASE OF A LICENSE FOR OR USE OF THE SOFTWARE AND RELATED SUPPORT SERVICES, WHETHER IN CONTRACT, TORT, OR ANY OTHER THEORY OF LIABILITY WILL NOT EXCEED THE GREATER OF U.S. \$5.00 OR THE FEES PAID BY YOU UNDER THIS AGREEMENT.
